

BRINGING THE ARTS HOME

**The Capital Campaign for a
State-of-the-Art Performing Arts
Center in Maple Grove**

Avalanche Arts
of Minnesota

A VISION FOR MAPLE GROVE'S CULTURAL FUTURE

Avalanche Arts has embarked on a bold journey to build the first performing arts center in Maple Grove—by launching a comprehensive campaign to raise \$20 million in private support.

- **300-Seat Main Theater**

A perfect space for community theater performances, concerts, and corporate events

- **Flexible Studio/Rehearsal Spaces**

Rehearsal space that mimics the size of the main stage

- **Educational Facilities**

Rooms for lessons and classes

- **Community Amenities**

Ballroom and Lobby both available for private and corporate events

- **Ample Parking & Accessibility**

Onsite parking as well as access to adjacent covered parking ramp

- **Intentional Design**

Thoughtfully designed building fits seamlessly with its surroundings and brings architectural beauty to the site

Join us

Build a Landmark

- You will help build a landmark: a physical space where countless memories will be made, where the arts will flourish, and that will stand as a testament to community spirit.

Change Lives

- You will change lives: from the child who finds confidence on stage, and the senior who finds joy in a concert, to the local actor who relishes being on stage in his hometown. Your support will make these experiences possible.

Strengthen Our Community

- You will strengthen our community: boosting local businesses, increasing cultural capital, and making the area an even more attractive place to live, work, and visit. The Performing Arts Center will be a source of pride that binds our community closer together.

Benefit the Region

- This project will benefit the entire northwest suburban area. From Corcoran to Champlin, Brooklyn Park to Plymouth - and beyond.

The stage is set, the partners are gathering, and the first act of our campaign is complete. Now we need your help to raise the curtain on opening night. Together, we can bring the arts home.

Our plans are just the beginning

OUR PRIME PARCEL OF LAND HAS MUCH TO BOAST ABOUT— IT OVERLOOKS NORTH ARBOR LAKE, IS JUST STEPS FROM LOCAL EATERIES, AND HAS AMPLE PARKING EVEN ON THE BUSIEST OF DAYS. ITS PROXIMITY TO THE LIBRARY, TOWN GREEN AND COMMUNITY CENTER PAVES THE WAY FOR THE COORDINATION OF CITYWIDE FESTIVALS AND EVENTS.

Designs are underway. City planners and our own architectural team are working together to make our center inviting, welcoming, and logistically sound. Plans for new pedestrian walkways, smooth access points to the center, and reimagined landscaping will make this space beautiful and accessible for all.

Raising the Curtain Together

This multi-use facility, featuring a 300-seat theater and spaces for rehearsals, classes, and community events, will be built on a beautiful two-acre site in the heart of Maple Grove's town center.

Together with the Town Green bandshell and public library, the new center will create a "civic campus" that serves our entire community year-round. The city has demonstrated its support by leasing the land to Avalanche Arts through a 99-year lease - an extraordinary partnership that lays the groundwork for success.

We now seek passionate supporters who share our belief in the transformative power of the arts to collaborate with us.

Our Partners

We are grateful for the support from our partner organizations. We look forward to creating exciting opportunities for them all.

EXPERIENCE
MAPLE GROVE

Secure Your Legacy

Your company's name showcased on the building's façade.

Your family foundation featured as sponsor of the bright, windowed lobby

The name of a loved one on a rehearsal room, green room or even a theater seat.

Naming Opportunities

Entire Performing Arts Center

Theater

Lobby, Stage

Future Black Box, Green Room, Lounge, Scene Shop, Conference Room, Box Office, Performance Lawn, Gallery Wall

Seats, Outdoor Pavers

We founded Avalanche Arts in order to change the landscape of performing arts in our hometown. Maple Grove, the northwest suburbs, and the outlying region will benefit from its construction and from its ongoing boost to the area.

We invite you to become part of the story - whether sharing the news of this project, volunteering, or donating financially to our capital campaign.

We can't wait for Opening Night! Together, we can bring the arts home.
